#### Note to members:

Due to the legal challenge to the RTRP program WAA Leadership decided to replace the previously announced Education Track to be held on June 21<sup>st</sup>.

There were two tracks scheduled – RTRP Prep and Tech-Fest.

We made a decision to move Tech-Fest to 2014 and take advantage of Education on the Affordable Care Act and an update on the final regulations for the Taxpayer Relief Act.

We have also opened this up to attorney's, HR personnel, Chamber of Commerce Members, city officials, and anyone else with a vital need to understand the Affordable Care Act.
